Welcome

WITH YOUR PETS

We know that animals are part of the family and that holidays become even more special when they can be shared with our faithful companions.

We have created a cosy environment that offers a unique experience for you and your pet. Here, hospitality and respect for animals go hand in hand. All members of your family are welcome.

General information

MOVING AROUND THE HOTEL WITH YOUR PET

In order to enter the room, dogs must always do so under the supervision of their guardians or carers and must be on a leash.

The presence of animals is strictly prohibited in the restaurant, swimming pool, spa, and gym areas.

Commitment to animal welfare

At Ride Surf Resort, we believe every gesture can make a difference. That's why part of the revenue generated by pet stays goes to non-profit organisations that offer shelter, care, and a new chance to animals in vulnerable situations.

By choosing our establishment, you and your faithful four-legged companion are part of an initiative that goes beyond accommodation, contributing directly to transforming lives and helping to create a more dignified and welcoming future for many animals.

If you would like to contribute even more, we accept donations of pet food, harnesses, leads, toys, beds and blankets, which we will deliver directly to the institutions.

Thank you!
